Satchmo Here for Xmas Ball

Louis Armstrong and his band concert group will appear at the Christmas Ball this Saturday night. This formal dance will be held in Lamkin Gym from 9 to 1.

"Satchmo" is a legend in American music, one of the great figures in the jazz world. According to many critics he is a musician of such extraordinary ability that he is above all possible praise.

The Union Board Central Party Committee is selling tickets all this week in the Den. Cost is \$1.50 per person.

Cardinal Key Taps Barb Combs Co-ed of Month

Barb Combs, a senior from Clearmont, Mo., has been chosen the Cardinal Key Co-ed of the month for December. The daughter of Mr. and Mrs. Joe Combs, Barb is an elementary education major.

Barb has been cited for her continuous service to MSC over the four years she has been here. She was elected to Student Senate her junior year and served as parliamentarian for the Senate. She has been a

Miss Barbara Combs

member of the Dorm Council for three years, a member of Religious Emphasis Committee, an officer for ACE and is Chaplain for Alpha Sigma Alpha social sorority. Barb was recently chosen a Bearer of the Greens, by the girls of Perrin and Roberta Halls.

Mrs. Helen Larsen, director of Roberta Hall, had this to say about Barb, "Barb has lots of friends. She is an outstanding girl, both in the dorms and on campus. She is the type of graduating senior of which the college can be very proud."

Christmas Ball . . . Saturday night . . . 9-1 . . . Satchmo!

The King of Jazz

Louis Armstrong

Jazz Concert Tonight at 8

If you like cool jazz be sure to attend the Progressive Jazz Group concert Wed. evening, Dec. 11, at 8:00 in the Administration Building Auditorium.

The jazz group, consisting of 18 instrumentalists, features the voice of Rose Marie Adams, the songs of Joe de la Cruz and The Undergrads, the new vocal group.

The group, under the direction of Earle Moss, will be playing big band jazz tunes, including TV themes, music by Henry Mancini, Stan Kenton, Count Basie and many other swingin' numbers.

Debate Tourney At MSC Dec. 13-14

A debate tournament will be held here Dec. 13 and 14 with other colleges and universities, according to Mr. George Hinshaw, sponsor of the MSC debate team.

Invitations have been issued to 45 colleges and universities. Last year 11 schools were represented by 60 contestants. The events other than debate this year are extemporaneous speaking and oral interpretation.

Headquarters will be the J. W. Jones Union with Colden Hall and the Administration Building as contest centers. Following the tournament will be a noon luncheon at which President J. W. Jones will speak.

The tournament is sponsored by the local chapter of Pi Kappa Delta of which Bob Cotter is president.

Ceramicist Talks To MSC Artists

J. Sheldon Carey, professor of ceramic art at the University of Kansas, lectured Monday night in the MSC Auditorium. His talk was the first in a series of lectures by prominent artists which are open to the public.

The lecture was followed by a reception given by Kappa Pi, national honorary art fraternity.

A show of Carey's ceramic work will remain on exhibit in the south gallery of the art department until Dec. 20.

Carey is internationally known in the field of ceramics. He has shown work in Belgium and Switzerland as well as in most of the major museums in this country. In 1959 he won the Gran Prix de Nations in Ostend, Belgium, and was listed as one of the three outstanding ceramicists by Time magazine.

Carey is perhaps best known for his development of a potter's wheel which enables the potter to throw upside down and thereby create ceramic pieces of greater heights than otherwise possible. He is now in the process of developing a solution to be used instead of water as a lubricant for throwing on the potter's wheel.

Carey visited MSC's art department Tuesday morning where he met art students and gave demonstrations.

—Student Loans—

The deadline for applying for any type of financial aid for second semester is Dec. 14. Applications should be turned in to the student loan office in the Administration Building.

Apathy Kills Revision Senate Election Thurs.

Light Turnout Invalidates 8-1 Margin

by Bob Johnson

For want of a rider a horse was lost, for want of some votes an election was lost.

2,250 students did not vote on the proposed amendments to the SGA constitution. 399 students voted for the amendments, 50 voted against.

Because the procedure for amending requires that one-third of the student body vote either for or against the proposals, and because not even half that amount voted, the proposed amendments which would have revamped the Senate did not pass.

Those who did vote gave the amendments an eight to one margin, indicating that the proposals were good and would have been approved if enough people had voted. Those who did not vote only indicated that they did not care.

The vote would seem to indicate that not enough people care to warrant any change in the status quo.

Deadlines Set For Lit. Edition

All MSC students are invited to submit copy for the literary issue of the Northwest Missourian to be published in January. Categories are poetry, essays (not to exceed 500 words) and short-short stories (not to exceed 500 words). Judges' selections will be final.

Entries may be given to either Dr. F. W. Grube, CH-306, or Mr. H. H. Morris CH-109. Deadline for submission of copy is 11 a.m. Dec. 20, 1963.

NOTICE

According to Dr. Robert P. Foster, Dean of Administration, every student planning to re-enroll for the second semester of 1963-64 must fill out a "Request for Permit to Enroll" form available in the Registrar's Office.

This form must be filled out completely and returned to the Registrar's Office before the beginning of Christmas recess. The permits which are made from these requests will be ready for distribution by Monday, Jan. 13.

The order of registration will be posted in the near future and will also be included in a sheet of registration instructions to be given out with permits to enroll.

Christmas Ball . . . Saturday night . . . 9-1 . . . Satchmo!

New Senators To Be Elected By Old Rules

Nominations for Student Senators under the present constitution were held Tuesday noon. Those nominated were:

Seniors

Bill Dankers
Marty Durfee
Charla Kirchoff
Tom Whitney

Juniors

Glenn Acksel
Wanda Cox
Biff Evans
Ken Thompson
Sue Thompson

Sophomores

The nominating convention for Sophomore senators will be re-held Thursday noon. Election will be held Monday.

Freshmen

Robert Allen
Terry Brewer
Jack McClure
Bonnie McKenzie
Judy Miller
David Shestak
Gene Ross
Celia Thompson

The Senate Election will be held Thursday from 8 to 4 in the Colden Hall lounge. No campaigning will be allowed other than word of mouth and the official election posters.

Ski Trip to Colorado Planned for Sem. Break

The Union Board will sponsor a ski trip to Colorado during semester break.

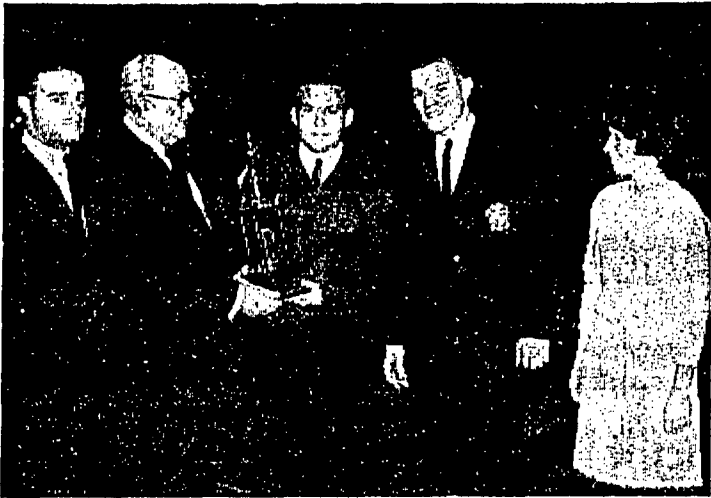

Cost will be \$70-\$100 for the transportation and lodging of the four-day stay.

Reservations must be made with Mr. Bill Needles in the Student Union by Friday. \$10 will reserve a space.

Orchestra Performs Concert December 4

On Dec. 4 the Division of Music presented the String Orchestra Concert under the direction of Dr. Donald H. Sanford. The concert was composed of The "Arundel" Suite by Sebastian Brown, Courtly Dances Based on Melodies of Jean-Baptiste Lully by Wolfgang Jacobi and Concert Duo by Heinrich Lemacher.

The personnel consisted of Louis Riemer, concertmaster of St. Joseph Symphony Orchestra. Mary Stevenson, Registrar of Tarkio College, Edwin McDonald, music critic of the St. Joseph News-Press and Gazette. Also participating were a number of students of MSC, Mr. Earle Moss of the faculty, and members of the St. Joseph Symphony Orchestra.

President J. W. Jones awards the Men's Homecoming Supremacy trophy to Terry Day, Sig Tau president, (center left) and John Phipps, Phi Sig president, (center right). Homecoming Committee co-chairmen Miss Jeri Irvin (far left) and Ray Cristie (far right) look on. —Fredericks Photo

Dracula Club

Eight new members have joined the Dracula Club. Charles Nelson, Phillip Burmeister, Jay Schug, Darwin Bears, Roger Shepherd, Gale Triplett, Soren Sorensen, and Keith Warren.

Eleven of the Club's new and old members have given blood recently. They are Linda Hartman, Jim Meidinger, Dennis Rhodes, Ron Vannier, Dick Shipley, Paul Walker, Mr. James Johnson, Larry Nedrow, Don Cannon, Nelson and Triplett.

The Club was able to have members at the St. Francis Hospital within ten minutes to give vitally needed blood to Mrs. Charles Fry, wife of Mr. Fry of the humanities dept.

President Jones Awards Trophies

The halftime of the MSC-Washburn game provided the setting for the presentation of the Homecoming Supremacy Trophies awarded to the Greek organizations that earned the most points during the 1963 event.

Sigma Sigma Sigma sorority walked away with an uncontested first place for the trophy in the women's division. The Sigma Tau Gamma and the Phi Sigma Epsilon fraternities accumulated an equal number of points, creating a tie for the trophy in the men's division. The Tau Kappa Epsilon fraternity followed only one point behind.

President J. W. Jones made the presentations.

Yearbook Goes on Sale In Den Thurs. and Fri.

Thursday and Friday, Dec. 12 and 13, are the days scheduled for the sale of the Tower yearbook. The Tower will be sold both days from 8:00 a.m. to 4:00 p.m. in the corridor between the old and new Dens.

Anyone wishing to purchase a Tower must do so at this time. The charge to each individual will be according to the semesters he has spent at MSC this year. The price list is as follows: attendance for one semester, \$3.60; attend-

ance for one semester and last summer, \$2.40; attendance for both semesters, \$1.20; attendance for both semesters and last summer, no charge. If the buyer has not been a student here this year, the cost to him will be \$6.00.

Alphas, Phi Sigs Take Scholarship Trophies for 62-63

Alpha Sigma Alpha sorority and Phi Sigma Epsilon fraternity were awarded at the All-Greek Assembly the scholarship cups for the academic year 1962-63 according to Miss Gimmie Atchley, dean of women, and Mr. Jack Lasley, dean of men.

The Alphas have won the Panhellenic Scholarship Cup for four consecutive years; however, at the end of the third year the cup was retained by them. The Panhellenic Council decides who wins this honor each year.

The Inter-Fraternity Council awards a fraternity with the highest grade point the Lon Wilson Memorial Scholarship Cup. If this cup is won three consecutive years, it also is kept, otherwise it is a traveling cup.

According to Dean Lasley the fraternities have been raising their respective grade points each year. He also brought out that Alpha Kappa Lambda wasn't eligible last year because they had been organized only one semester.

Concerning the scholarship cups, President J. W. Jones remarked, "I am very pleased with the Panhellenic Council and the Inter-Fraternity Council for giving such honored awards."

SNEA Members Attend Meeting in St. Louis

Eighteen MSC students attended the Missouri State Teachers Ass'n. Convention in

St. Louis Nov. 7-8, accompanied by Dr. Wanda Walker.

The group attended general sessions and social hours for SNEA groups. Harold Johnson, an MSC senior from Tarkio, is vice-president of the Missouri SNEA.

Making the trip were SNEA members Rita Acuna, Richard Beem, Patty Gilley, Gary Graves, Mary Ann Hurlman, Norma Hunsicker, Jeanne Kuhr, Keith Lambertson, Phil Murrell, Myrna Myers, Judy Norris, Caralee Smith, James A. Smith, Barbara Spencer,

David Sutton, Glyndena Taylor, Sandy Yapple, and Paula Zimmerman.

OUTSTANDING CHAPTER—The officers Alpha Epsilon Chapter of Sigma Sigma Sigma at MSC which was awarded a plaque recently by Mrs. Doris Tabor, national parliamentarian, as the outstanding chapter during 1963 are, standing, from left to right, Nancy Wayman, Jane Stoner, Pat Lyon, Linda Rancey, Sharon McElwain and Karen Hersh, and seated, Jane Shaver, president, and Darlene Weldon, the past president, for whose term the plaque was awarded. —Frederick Photo

MSC Sorority Receives National Chapter Award

Alpha Epsilon Chapter of Sigma Sigma Sigma sorority, NWMSC has been named the Outstanding Chapter Award winner for the past year.

The award was presented during the annual chapter inspection by Mrs. John Tabor, national parliamentarian and an Alpha Epsilon alumnae. The local chapter was the outstanding over 61 other national chapters.

The award was presented on a basis of chapter efficiency, contributions to Sigma Sigma Sigma social service project, grade standing on annual chapter examination, alumnae and collegiate relations, participation in campus activities, contributions to national housing fund, and general corporation.

According to the sorority's national executive council, Alpha Epsilon chapter has exemplified high performances in all phases of the sorority program.

—ATTENTION—

Graduating Seniors

If you wish to receive the Northwest Missourian after graduation, the subscription rate is \$1.00 per year, including issues printed during the

summer session. Subscriptions may be obtained in the Office of the Northwest Missourian located across from Room 102 in Colden Hall.

Faculty Briefs

Dr. John Farr, chairman of the social science department, will attend a meeting of the Governor's Advisory Council on Historical Buildings and Locations at Springfield, Mo., Dec. 14-15.

The major business to be considered will be the disposition of the home of Nathan Boone, son of Daniel Boone.

Robert Sunkel, acting chairman of MSC's art department, began a series of lectures at the St. Joseph Art League meeting Tuesday evening, Dec. 3.

The lecture was the first in five concerning techniques in are. Mr. Sunkel chose oil glazing, printmaking, drawing, encaustic painting and new paint media as his subjects for the talks.

Miss Violette Hunter, assistant professor of English at MSC, has compiled a 74-page booklet, "Missouri's Youth Writes," as a project of the Missouri Ass't. of Teachers of English. The booklet includes short stories, poems and essays written by students in the high schools of Missouri.

Oriental Christmas was the theme for the AKL pledge dance held last Friday night.

Approximately 80 members, pledges, and guests attended the dance held in the Student Union Blue Room. They received oriental favors and Chinese fortune cookies. Dr. Leroy Crist, sponsor, and Mr. and Mrs. John Herzig chaperoned the dance.

Bill Dankers, AKL Pledgemaster, was named "Active of the Month" by the MSC chapter in their newsletter Alpha Zeta's Little Data, a monthly supplement to the regular newsletter.

Dankers, chosen for his outstanding work with pledges, was the first to be honored by the new program. Selected by active members and sponsors, the "Active of the Month" award honors members who

make outstanding contributions to the chapter.

MSC Dance Club To Sponsor Trip

The MSC Dance Club will sponsor a trip to Kansas City, Jan. 10, to see the Ballet Folklórico of Mexico.

The trip is open to all students and faculty members. The cost will be \$3.00 and must be paid by Dec. 13. Interested persons should contact Miss Sara Beth Kurtz, sponsor, or Richard Beem, Dance Club president, according to Miss Kurtz.

Gamma Sigs Complete Thanksgiving Service Project

Gamma Sigma Sigma service sorority completed two Thanksgiving projects over the vacation.

Members decorated the cafeterias for the Thanksgiving supper. Also horn of plenty tray favors were made for patients at St. Francis Hospital.

The service sorority also announced that Sue Green has been elected to fill the vacancy of alumni secretary.

Approximately 98 per cent of all farms in the United States have electric power, Reader's Digest reports.

START SCHOOL RIGHT WITH A GRADE-UPPING UNDERWOOD-OLIVETTI PORTABLE! 'Hakers' Go Gung Ho To Improve Old Quad

"We live here, so why not make it as nice as possible," stated counselor Allen Chezum in regard to the present remodeling of Hake Hall.

A LITTLE ELBOW GREASE—Six residents of Hake Hall are shown applying some refinishing touches to "home." They are, left to right, Jim Kelly, Nick Erganian, Paul Garafalo, David Worthley, Wally Paden, and Lonny Hagan.

One of the older boy's dormitories, Hake Hall is currently being given a "new face" by its occupants. The freshmen and sophomore residents, working in co-operation with Dean Jack Lasley, are completely repainting the building's walls and ceilings, refinishing some of its floors and most of the furniture.

Plans for the future remodeling include the purchasing of new lamps, furniture and floor tile. Individual resident donations are to provide the necessary capital for these improvements.

According to counselor Chezum, the remodeling of the hall doesn't stop with the building itself. Its residents have ordered "Haker" sweatshirts, hoping to organize a cheering section and spark school spirit. Other future goals include the sponsoring of a scholarship and the reorganization of the independent students on campus.

Three Report Car Vandalism

Three reports of vandalism to cars, two of them from employees of Northwest State College, were received by Maryville police Tuesday afternoon.

News Releases To Be Typed For Publication

The Northwest Missourian news department again asks that all organizations submitting news to the paper, type the story on standard size paper.

News may be left in the copy basket provided by the Missourian office in Colden Hall. Articles must be signed and delivered no less than three days before publication.

The staff will not be re-

sponsible for articles which are not typed and signed.

Sibling Silliphant Scores Signal Success

Last Thursday's television presentation of Kraft Suspense Theater was a story written by Judith and Robert Guy Barrows, "The Machine That Played God."

The writers are the brother and sister-in-law of Floyd Barrows, assistant professor of social science at MSC. This is Robert Barrow's first venture into TV writing, having formerly written for the stage.

Dean Foster Leads Busy Life On and Off Campus

Dr. Robert Foster, Dean of Administration, leads a busy life on and off campus, devoting much time and energy to the field of education.

As Dean of Administration, Dr. Foster acts as admissions officer. His office is in charge of planning and supervising registration and enrollment procedure, maintaining perm-

Dr. R. P. Foster maintains scholastic records and documentary material, preparing and editing printer's copies of general publications by the college, such as the college catalogue, maintaining graduation check sheets, computing faculty loads and assigning classrooms.

Dr. Foster likes to deal with and help students best. He says, "It is always a pleasure to assist students toward their educational objectives."

Dr. Foster is active in the Methodist Church, serves on the board of trustees of Southern Methodist University, and is on the Wesley Foundation

Board. He serves on the Lay Advisory Board of St. Francis Hospital and on Gov. James Dalton's Community Betterment Program Committee as an educational consultant.

In the secondary education field, Dr. Foster taught, coached, and acted as principal. In 1948 he was appointed Registrar at MSC. He was appointed Dean of Administration in 1959.

Dr. Foster did his undergraduate work at Central Missouri State College in Warrensburg and graduate work at the University of Missouri, where he received his Doctor of Education degree in 1960. This spring Dr. Foster was invited to be listed in Marcus' Who's Who in America.

Students Visit Libraries On Kansas City Tour

Twenty-six MSC students participated in an all-day field trip to Kansas City, Dec. 5. The trip was an observation tour of three Kansas City libraries by the library science department.

Mr. James Johnson, college librarian, pointed out that the group had the opportunity to visit Westgate Junior High Library, the Kansas City Public Library and the Linda Hall Library of Science and Tech-

nology during their tour. Once a semester the Library Science group makes such a tour to see different library facilities and specialized libraries such as the Linda Hall library, where only science and technology books are catalogued.

"The students do observe in other libraries but they need the experience of seeing big public libraries and noting opportunities and facilities in other school libraries," Mr. Johnson commented.

In addition to Johnson, Miss Elvira Denning, periodical and text book librarian, and Miss Barbara Palling, reference librarian, accompanied the group to Kansas City.

CINEMA

"Shock Corridor," starring blond Constance Towers, opened last night at the Tivoli Theater and will continue through Thursday.

"Shock Corridor" focuses the spotlight on the medical jungle no doctor will talk about, and it is said the picture opens the door upon sights not heretofore shown on the screen.

Protagonist of the screenplay by Samuel Fuller, who also produced and directed the film, is a reporter who becomes inextricably caught in a maze of his own hallucinations sees his striptease dancer-sweetheart actually as his sister.

The film was made for Allied

NEW CHEVELLE!

BY CHEVROLET

The kind of go-6 or V8—you'd expect from one of Chevy's great highway performers. Come on down and drive it.

The kind of comfort you'd expect in a large interior. Come on down and sit in it.

The kind of fresh styling—inside and out—that makes it the year's smartest surprise. Come down and stare at it.

New Chevelle Malibu Sport Coupe

Now—Chevy spirit in a new kind of car!

We built this one to do more than just stand around looking beautiful. Held its weight down in the 3,000-pound range. Then built four lusty engines—two sixes and two V8's—with output all the way up to 220 horses*!

And if that makes you think this is one frisky car, you've got the right idea.

You've also got a roomy car here. Yet its 115-inch wheelbase keeps it highly maneuverable in traffic and very easy to park.

With its Full Coil suspension, it's got a ride that reminds you of the Jet-smooth kind the

way it muffles noise and cushions bumps.

And the fine hand of Body by Fisher craftsmen shows up beneath this one's suave good looks, too.

Sound good? There's more. Like the fact that Chevelle comes in three series with eleven models—convertibles, sport coupes, sedans, wagons, even Super Sport models with front bucket seats. Like the fact that (and see if this isn't one of the nicest surprises of all) the new Chevelle comes at an easy-to-take price!

Like to hear more? The listening's wonderful at your Chevrolet dealer's—and so's the driving.

*Optional at extra cost

See five entirely different kinds of cars at your Chevrolet Showroom—CHEVROLET, CHEVELLE, CHEVY II, CORVAIR & CORVETTE

THE COLLEGE OATH

"We will never bring disgrace to this, our College, by any act of cowardice or dishonesty. We will fight for the ideals and sacred things of the College. We will revere and obey the College laws and do our best to incite a like respect and reverence in others. We will transmit this College to those who come after us, greater, better, and more beautiful than it was transmitted to us."

Mail Bag

November 27, 1963

Mr. Robert Johnson, Co-editor
Mr. Marvin Bell, Co-editor
Mr. Ted Jamison, Business Manager
Northwest Missourian
Maryville, Missouri
Gentlemen:

I regret the delay in this reply to your letter of October 31 concerning the increase in reckless driving that has developed on our campus. Unfortunately, I had assumed that the verbal discussion with Mr. Johnson would suffice as a reply to this matter. I assure you that in no way does my oversight reflect a feeling on my part that the matter is not important. On the contrary, I share with you a concern for its seriousness.

We have requested the cooperation of the Maryville Police Department in patrolling the campus as frequently as possible. Perhaps you have noted by now the mobile units that do drive onto the campus during the day and night. It is expected that when the recently purchased radar unit goes into effect, after our forces have been sufficiently trained to use it, there will be an improved apprehension of speeding drivers. One of the problems in the past has been the curved nature of our drives which has made it very difficult to gauge the speed of automobiles. This new unit will overcome this handicap to some extent.

One other matter of concern, however, deals with the degree of responsibility which the college students themselves are willing to assume in this regard. It behooves every parent who notes fast driving next to or near their place of residence to report such drivers to the traffic court. The student pedestrians who find their lives endangered by fast and imprudent driving should likewise accept their share of responsibility in this regard.

The College is not responsible for the growth of numbers of automobiles on campus. This is a sociological facet of our changing times. The purpose of the College is to provide an education for the youth of Missouri. The morality of imprudent drivers is something that should have been dealt with in the home long before the student arrived here. The College budget does not permit an expenditure large enough to provide 24 hour enforcement patrol. We will use what forces are available to us for this purpose and can assure you that there will be a follow up in disciplinary action when reckless drivers are caught.

If you on the Northwest Missourian staff can assist by emphasizing the student's responsibility in this regard, we will appreciate whatever effect such action will take.

Sincerely,
C. E. Koerble

Wells Library Exhibits
Copper Art Objects

This month an exhibit of enameled copper forms is being featured in the display cases of Wells Library.

The forms, which have been hammered into shallow bowls and ashtrays, are the work of fine arts students in the metal work and enameling classes. Of particular note throughout the exhibit are the combination of transparent enamels and unenameled surfaces used to retain the natural beauty of the copper.

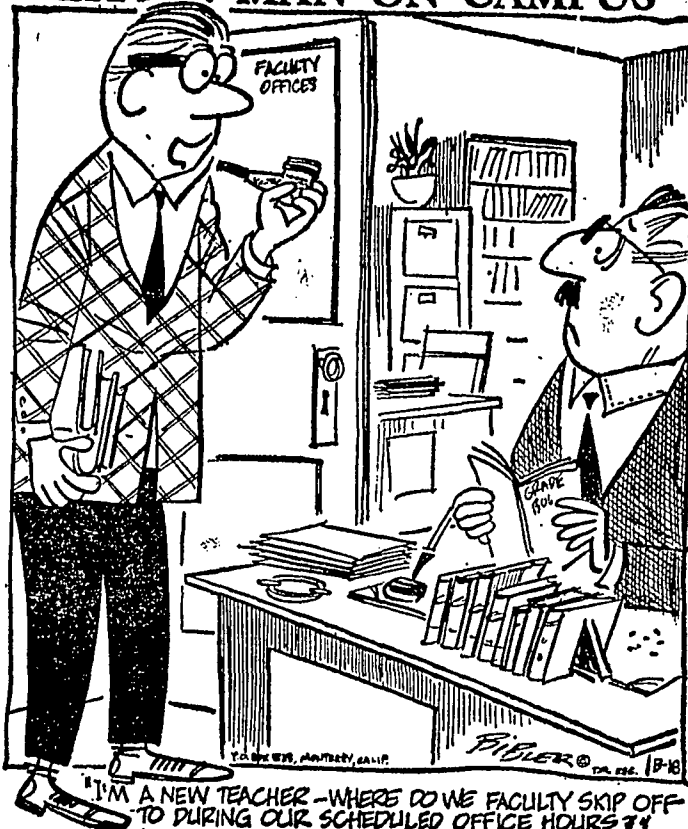

20 Attend Driver Ed Workshop

Over 20 high school instructors of driver training in northwest Missouri attended the driver training workshop here Nov. 19.

The event was sponsored by the AAA, the Missouri Highway Patrol and this Missouri State Dept. of Education. Robert Gregory, member of the physical education staff, was director of the meeting at which several traffic and safety experts spoke.

LITTLE MAN ON CAMPUS

Inquiring Reporter

Confusion, shock, and disbelief were three of the characteristics contained in the thoughts of MSC students on Nov. 22, when the announcement of President Kennedy's assassination flashed over the radios and television screens.

To get a true picture of some of these thoughts, the Inquiring Reporter asked this question of six MSC students: "What was your reaction as to the security of our country when you heard of President Kennedy's assassination?"

Dorothy Keith, freshman, Bedford, Ia.

"Of course, I was very concerned. The first thing I wondered was whether or not our foreign relations would remain as they had been. The relations between Russia and the U.S. are very unstable, and I thought that Russia might try to push us farther."

Rich Okinaka, senior, Hawaii. "The assassination made me think of the movie, *Manchurian Candidate*. The plot of it was a Communist attempt to assassinate our President. The only difference was that in the movie, the assassination failed."

Trudy Seever, junior, St. Joseph, Mo.

"I couldn't believe it. I was shocked that something like this could happen in our country. At first, I didn't think of security. But, now, I feel that Johnson is as capable as anyone could be under the circumstances. President Kennedy included him in all affairs. It just remains to be seen if he carries out Kennedy's plans."

Dave Herring, junior, Creston, Ia.

"I feel that President Kennedy's administrative policy was good and was needed. Through his death, the people may realize the great need for such things as improved education, foreign relations, and civil rights. President Kennedy's motivations, vigor, and patriotism should be part of a good example for the youth

of today. Man is nothing but an image to spread God's will to others. This, Kennedy did. Maybe, now, the citizens of the U.S. will also."

Paula Modrell, junior, Easton, Mo.

"I didn't feel like we had anything to fear at the moment. President Kennedy's death was felt all over the world, and I didn't think other countries would take advantage of us. At present, I feel that the changeover was excellent."

Raymond Brady, junior, St. Joseph, Mo.

"The security of a nation doesn't depend entirely upon any one person. It depends on the organizations that have been set up. These haven't changed."

Fashion Feature

Orchid Leads
Holiday Colors

By Eunice Curd

"Jingle bells, jingle bells,—ORCHID all the way?" Yes, girls, the big fashion news from New York, Los Angeles, and Maryville shops is Christmas clothes in orchid.

Although all pastels are in vogue this winter, fashion authorities agree that orchid is the holiday hue. It can be found in all styles from popular mohair shift dresses and V-neck sweaters to floor-length evening gowns.

Highlights in footwear remain with neutral shades and stack heels. Suede shoes are definitely out this year, and leather combinations have taken the lead.

Suede has switched from footwear to coats with fur collars.

Gloves have taken the cue from suede coats and leather shoes. More and more kid is appearing in both sport and dress gloves.

The leather theme is being further carried out in jewelry, and the use of antique brooches is also becoming popular.

In eveningwear, the fabric is velveteen, the skirts are full-length, the empire style is back, and the sheath remains.

The holiday fashion pace is set. With this in mind, have a happy, well-dressed holiday.

Junior 'Cats To Play Eight

At 5:30, before five MSC home basketball games this season, the Junior Varsity Bearcats roll into action.

According to Coach Dick Buckridge several fellows have been showing up well in pre-season practice, and approximately 14 hoopsters will don uniforms in these "B" squad games.

With a definite lack of size, the Junior Varsity will rely mainly on ball control, court position, and some fast breaking to carry them through their eight game schedule.

Coach Buckridge plans to use as many players as possible in the early games of the schedule since he intends to prep many of his Bees for varsity competition.

The Junior Varsity will rely mainly on the services of Dennis Hoffmeister, 6'5", Rich Myers, 6'2", Larry Markt, 6'1", Mike Peterson, 6'1", and Ron McNeel, 5'10".

Following is the eight game schedule in which the Bees will compete:

Home Games	
Dec. 3	Tarkio
Jan. 10	Clarinda J.C.
Jan. 18	Pittsburg
Jan. 27	Clarinda J.C.
Feb. 13	St. Benedicts
Road Games	
Dec. 7	William Jewell
Dec. 12	Tarkio
Dec. 16	St. Benedicts

Debaters Compete In Three States

The MSC debating team divided into three groups last weekend when a team went to each of the tournaments at Northeast Missouri State College, Iowa State University and Wayne State College.

Participating in the event at Kirksville, Dec. 7 were Donna Rihner, Barbara Truckenmiller, James A. Smith, John Sherbo and Susan McConkey. This group, sponsored by George Hinshaw, director of forensics at MSC, entered competition in debate and oral interpretation.

The five students who traveled to the tournament at Ames, Ia., were Priscilla Porter, Bob Cotter, Gary Coburn, and Bob Allen. They competed in rounds of debate, oral interpretation and extemporaneous speaking. Mrs. Martha Dunn of the speech department accompanied the students.

Miss Dorothy Weigand, assistant professor of English,

traveled to Wayne State College, Wayne, Neb., with Marvin Jackson, Ron Huff, Dorothy Zaiger, Norma Buffington and Stuart Robertson. These five competed in rounds of debate and discussion.

Officiating Clinic Held at MSC

The Northwest Missouri Board of Officials held an officiating clinic at Martindale Gymnasium Dec. 7 for girls and women interested in officiating volleyball and basketball.

Mrs. Mildred Evans, chairman of the Greater Kansas City Board of Officials, directed the clinic. She is an instructor of physical education at Central Missouri State College, Warrensburg, and has national official's ratings in both volleyball and basketball. She was assisted in basketball by Miss Nedra Covey, Benton Junior High School, and in volleyball by Mrs. Dorothy Walker of MSC.

Bearcats Drop No. 4 To Pittsburg Gorillas

BULLETIN

The Bearcats lost to Pittsburg 70-93 Monday night.

The MSC Bearcats, despite an aggressive, hustling brand of basketball, dropped two home games, 59-55, to Wayne State Teachers, and 93-85, to Washburn University.

The Wayne State contest, played over the Thanksgiving vacation was the 1963 opener for the fighting Bearcats, under the reins of Coach Dick Buckridge. The contest was also the initial outing for the Nebraskans.

Washburn U., whose upset bid over highly touted Rockhurst was thwarted by a last second score three days earlier, survived an explosive Bearcat rally in the last four minutes of the game to chalk up the win.

MSC-Wayne St.

Wayne State grabbed a 29-25 halftime lead, extended it to nine points midway in the last period, only to see the 'Cats bounce back to within a single point.

Then Dennis Torgerson came off the Bobcat bench to fire home four successive 20-foot jump shots to clinch the win for Wayne State. Nick Neira, Larry Robinson, Bob Crawford, and Dave Remund sparked Maryville's rally.

Coach Buckridge stated that he was mostly pleased with his squad's opening game performance. Foul trouble to Crawford, Remund, and Ed Maxwell, combined with Bill Yeager's absence in the contest kept the 'Cats a step behind throughout the last half.

Washburn Lead Stands

The Ichabods from Topeka, Kan., had a comfortable 16-point lead with about five minutes remaining in the second game when Maryville went into a full-court press and rallied behind Neira, Robinson, and Maxwell.

This trio, with bench assistance from Willie LaNere and Dale Dawson, stole the ball five straight times, turning each into Maryville scores before time ran out with Washburn holding their eight-point final margin.

Neira Leads 'Cats

Neira, 6-0 guard, hit for 18 field goals in the two games, scoring a total of 38 points. The flashy letterman hit mostly from the 20-25-foot area with his jumpers and added several driving lay-ups.

Maxwell drilled in 20 counters in the second game, after a so-so first contest. Robinson and Crawford added 18 and 16 points each over the two-game span. Remund, 6-6 center, hit 10 points in each game and handled the bulk of the board work.

Richardson Injured

Larry Richardson, alternating center at 6-7, was lost to the team indefinitely with a severe knee injury in the Washburn game. Buckridge stated that the letterman would be out of action at least until after Christmas.

Next home game will be Jan. 2, against Tarkio.

Intramurals Move Rapidly Taus Lead Phi Lambs Slightly

Rex Pettigrew, student intramural director, reports that there are 525 participants in this year's intramural basketball program. This group is divided into 55 teams and nine leagues, the National, American, Big Six, Little Six, Eastern, Western, Northern, Southern, and the V.P.I.'s.

Each team will play five games in the first round of action which should be completed by Dec. 20. The second round will begin after Christmas vacation and will be finished sometime before final exams.

This year's basketball program has added a faculty team to the list. Representing this team of intellectual roundball players is Dr. Charles H. Thate, Ross C. Surphlis, Dean E. Savage, Dr. James M. Gleason, Robert S. Buchanan, and Dean Jack L. Lasley.

Youth League

This year, a basketball program has been established for the 6, 7, 8, and 9 grade students of Maryville. There are two leagues: the National (8 and 9) and the American (6 and 7). Each league is divided into four teams and play every Saturday morning from

9:00 to 11:00. The coaches for these teams are Bob Pettigrew, Ernie Livingston, Dan Hill, Rex Pettigrew, Austin Mueller, Jim Engstrom, and Don Peterson.

Record Number in Gym

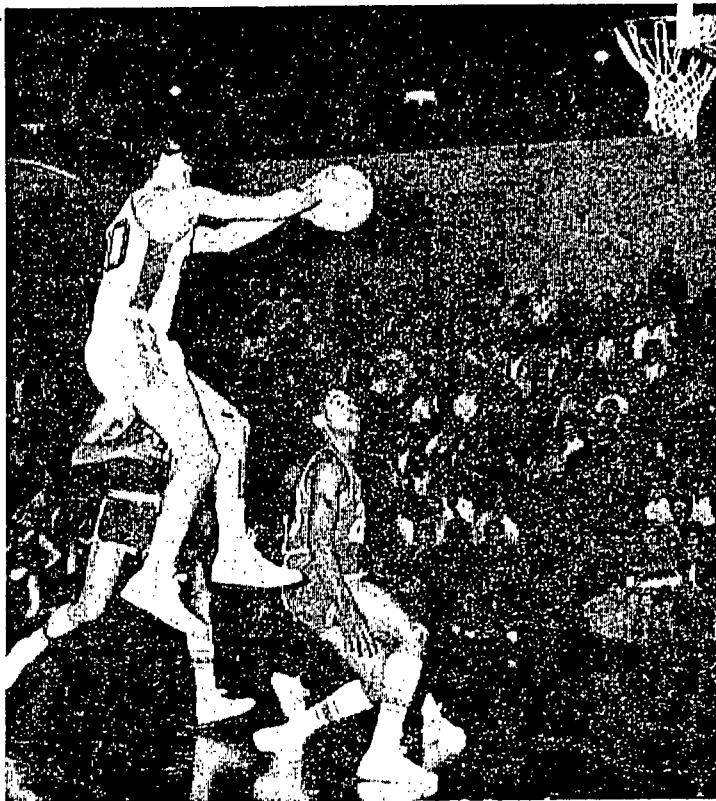

Dr. H. D. Peterson and Rex Pettigrew report that the number of participants (3015) using the Lamkin Gymnasium facilities in the month of Nov. doubled the figure of Oct. The activities, which are now available, are ping-pong, badminton, weight-lifting, indoor tennis, basketball, and indoor track.

Due to the intramural basketball program, the gymnasium will be open only on Tuesday, Friday, and Saturday unless there is a varsity activity scheduled for that night.

Total points for organizations through three sports are:

STG	575
PLC	572
PSE	460
TKE	447
IND	155
AKL	98

Support the Bearcat Varsity Teams with your attendance. Follow them on the road through the Missourian.

OVER AND IN—Nick Neira goes up to make two of his 24 points in the game against Washburn. In front of the 5'11" Neira is 6'1" Ken Hendrix (23) and Gordon Hibbard (21) is partially visible in the background.

'Cats Take on Ravens Next

Coach Dick Buckridge's fighting Bearcats invade the stomping grounds of the St. Benedict's Ravens Tuesday night for a battle on the hardwoods.

The Ravens are coached by veteran mentor Ralph Nolan, who has a 164-130 record as head basketball coach. This match could prove to be a battle all the way. Among the five returning letterman is Joe Gillespie, one of the leading scorers on the Raven squad last season. Gillespie carried a 10.9 scoring average last season, and on numerous occasions he hit over twenty points. Rounding out the returning

lettermen are Pat Bello, Kenny Gonzales, Dan Wall, and Dick Maurer.

The skyscraper of the Ravens is 6-8 Pat Hare, a transfer from Dallas University. Hare played against MSC last year when his Dallas team lost to the Bearcats 68-54.

The Ravens are an independent team this season having dropped out of the CIC conference at the end of last year. The last time the Ravens played the Bearcats was in 1957 when the 'Cats edged by Benedicts 55-49.
